

Carrier® Heat Pumps Designed for Tomorrow's Needs Today.

Puron® refrigerant – environmentally sound and won't deplete the ozone layer.

- 1 Scroll compressor** – the heart of the heat pump, the compressor pumps refrigerant through the system.
- 2 Inverter-driven variable-speed operation** – delivers unprecedented heat pump efficiency of up to 13.0 HSPF.
- 3 Copper Microtube™/Aluminum fin coil** – transfers heat outside to maximize indoor cooling while resisting corrosion.
- 4 Infinity® control board** – allows the unit to connect to the Infinity® Touch Control for the ultimate comfort control. You control comfort schedules, heating, cooling, humidification, dehumidification, fan speed and much more all from one easy-to-use control on the wall in your home.

5 WeatherArmor Ultra™ protection – combines three design elements that protect your comfort.

- a. Galvanized steel cabinet
- b. Louvered coil guard
- c. Baked-on powder paint

6 Filter drier – constantly filters the refrigerant to remove moisture or other contaminants that can harm your system.

7 Carrier's exclusive Silencer System II™ – helps deliver quieter operation by optimizing airflow, minimizing vibration, and using sound-absorbing materials. The five key components include:

- a. Silencer top
- b. Integrated fan motor and forward-swept fan blade
- c. Compressor vibration isolator plate
- d. Sound hood
- e. Split-post compressor grommets

Infinity® 20

INFINITY® SERIES

Infinity® 20

- High energy efficiency – up to 20.0 SEER and 13.0 HSPF
- Environmentally sound Puron® refrigerant
- Variable-speed operation with Greenspeed™ intelligence
- Quiet operation with Carrier's Silencer System II™ – sound ratings as low as 62 dB
- Protected by Carrier's WeatherArmor Ultra™ coil guard
- Superior comfort and humidity control
- Infinity® control board for ultimate comfort
- Improved indoor air quality
- Self-diagnostics

Performance® SERIES

Performance™ 16

- High energy efficiency – up to 16.5 SEER and 9.5 HSPF
- Environmentally sound Puron® refrigerant
- Two-stage capability – operates on low-speed 80% of the time
- Protected by Carrier's WeatherArmor Ultra™ coil guard
- Sound ratings as low as 70 dB

Comfort® SERIES

Comfort™ 15

- High energy efficiency – up to 15.0 SEER
- Environmentally sound Puron® refrigerant
- Protected by Carrier's WeatherArmor™ coil guard
- Sound ratings as low as 69 dB
