

Carrier® Air Purifiers

**Infinity Air Purifier
Model GAPA**

The Infinity air purifier combines superior filtration efficiency with pathogen-killing technology to deliver maximum air purification.

- Ultra high filtration efficiency equivalent to MERV 15
- Captures and kills airborne viruses, bacteria and mold spores
- Easy to replace media cartridge
- State-of-the-art, exclusive technology
- Cabinet supports up to 400 lbs.

**Performance Air Purifier
Model PGAPA**

Performance™ Series Humidifiers

A Carrier® humidifier evenly distributes moisture throughout your home to help with irritated sinuses, noses or throats; itchy skin; static electricity; cracked woodwork, wallpaper, and paint; and other problems associated with dry, heated air. The humidifier will even help you save money on your energy bills since humidified air actually feels warmer than dry air – so your thermostat can be set at a lower temperature!

Model LFP

Performance™ Series UV Lights

Ultraviolet light exposure inhibits the growth of contaminants at their source.

- Minimizes dust and dirt accumulation on coils
- Reduces airborne particles
- Improves system efficiency
- Five-year limited warranty

**Ultraviolet
Germicidal Light**

Performance™ Series Ventilators

Today's tightly constructed homes can trap stale air inside your home, creating higher dust and humidity levels. Performance™ Heat Recovery Ventilators (HRV) and Energy Recovery Ventilators (ERV) help keep fresh air circulating through your home for improved air-quality comfort year-round.
