## Terms & Conditions

1. No service shall be rendered under this plan if the customer has a past due account.
2. Improper installation, modification, abuse, negligence, misuse of equipment or unit, or repairs made by others unless authorized or agreed upon by this contractor will be cause to terminate our obligation under this plan. All equipment must be in proper working order before the plan takes effect.
3. Gundlach Sheet Metal Works Inc. reserves the right to reject coverage if on inspection by a service technician determine equipment is found in such condition that service will be unsatisfactory to either party.
4. It is mutually agreed that only electrically operated, mechanical components inside the actual heating or cooling units are covered under this plan. "Repair Parts" exclude filters, thermostats, refrigerant, line sets, wiring and other components not inside the units.
5. This plan does not cover repairs to registers, grilles, key valves, thermostats, power wiring, refrigerant leaks or piping, duct or duct components, flue or combustion air piping, steam or hot water piping, humidifier leaks or piping, zone control systems or valves, dampers, valves or zone thermostats, condensate pumps, expansion tanks, multiple zone pumps, heat exchangers, evaporator coils, or compressors, balancing beyond the unit, or parts and labor associated with repairs to the previous devices. It does not cover damage due to shortage of electricity, gas or water supply, sabotage, or damage caused by extreme weather conditions (i.e. freezing, lightning strikes, etc.).
6. Routine maintenance inspections will be performed during normal working hours only. "Additions" will be performed with regularly scheduled maintenance inspections only.
7. This plan does not cover any work or changes which might be required by government regulations, codes or insurance company needs or requirements.
8. Gundlach Sheet Metal Works Inc. will endeavor to render prompt and efficient service hereunder, but it is expressly agreed that Gundlach Sheet Metal Works Inc. shall in no event be liable for damage or loss caused by delay or any loss arising out of the performance of this plan.
9. No refunds will be given. However, if the property is sold, we will be glad to transfer the balance of the plan to the new owners if they contact us.
10. Equipment must be less than 15 years old to initiate a new plan.
